Quick Fact Sheet

_____ Tuition is due the first of the month. **There is a \$10.00 late fee for payments made after the 10th. No exceptions.** Options for payments: Cash, Check, Debit, Credit Card, and Money order. For your convenience you can pay with your credit card/Debit card over the phone during business hours or drop off payment after hours through the mail slot to avoid late charges. (Make sure payments dropped through slot are in an envelope with name of student on check).

_____ **There is a \$30.00 fee for returned checks.** If account is not cleared by the 10th checks returned will be counted as a late payment and a \$10.00 late fee will be added to the account in addition to the returned check fee.

_____ If you pay for the entire year in advance, from that day you have two (2) weeks to ask for a refund of the remaining balance. No refunds on registration fees.

_____ If a student is dropped due to failure of payments, they will not receive refund of costume fees. If costume is already paid in full, they can pick up the costume at studio, when it arrives. We will notify you.

_____ **Attendance:** Attendance is taken at each class. Good attendance is imperative, as absences and tardiness can hold back an entire class, and the studio can't jeopardize its responsibilities to the rest of the class for one student. Classes and tuition are figured on a nine-month basis. If a student does not attend the last six classes before a production, they will not be able to perform. However, if a student takes private classes with the instructor they could participate. The cost of a private is \$30.00 an hour

_____ You do not receive credit for a class you missed, you can make up the class by attending another class of the same style and level. Class is lost if you do not make up within 2 weeks.

_____ You will not receive a refund if you drop a class during the month. You must inform the studio in writing before the new month begins that you are dropping; otherwise you will be charged until you do. We will not take "hearsay" from another person other than student or parent. Students who drop will not receive refund on production fees.

_____ **Christmas Production:** We will have a Christmas Production, there will be a non-refundable \$35.00 fee for each student due by November 1st (\$20.00 fee for each additional family member). \$10 late fee. Costumes are not ordered from dance catalogs for the Christmas Program. To keep costs down we will generally ask you to purchase something simple from a local store or get something from your closet. If we loan Christmas costumes, students must return them to instructor the night of show and sign a release.

_____ **Spring production,** there will be a non-refundable \$35.00 fee for each student due by February 16th. (\$20.00 fee for each additional family member) \$10 late fee. Students must have costume payments paid before costume is ordered for the Spring Dance Production, the first half is due by September 30th and the balance paid in full by November 30th. There is a \$20 late fee. If costume is not paid on time we cannot promise that the student will have the costume in time for pictures or for the Spring production. Any additional fees to costume manufacturer due to late payments will be passed on to the student. There is a costume ordered for **each** class a student attends. Child \$50.00, Adult \$60.00 (there is a \$15 additional payment for x large sizes for child and Adult). We will inform you if this is necessary. (Flamenco and Mexican Folkloric will vary). Please consult the front desk.

_____ **Awards:** Attendance Awards are given to students with perfect attendance. A student must attend all regularly scheduled classes, make-ups are not allowed. *Consecutive Year Awards* are given to students completing three or more years consecutively. (If a student drops out and returns, he/she must begin over with year one.) . Students completing 7 years and up will be presented their award at the Revue.

_____ Please inform us of any address, phone and/or email changes so that we can inform you of emergencies, studio activities and etc.

_____ **Uniform:** All students must follow a professional dance dress code. We are very strict about this. Tights help keep muscles warm which allows proper movement. During class, students must wear the proper attire and of the correct color. Hair must be neatly secured off face and neck. (Pointe and Ballet require hair securely pulled into a bun.) No jewelry of any kind to be worn. No chewing gum, candy food or drink (except bottled water) is allowed in the dance room. Failure to comply with any of these rules will result in the student sitting and observing class. We are serious about teaching dance and expect the students to be about learning dance. There are other environments appropriate for playing. We try to teach each student the proper way to act in a class, as any professional studio should. By no means do we imply that they carry these rules outside of class. Please make sure you read and save this information for future references. Thank you.
