Quick Fact Sheet

- ✓ **Tuition:** Tuition is due the first of the month. **There is a \$10.00 late fee for payments made after the 10th. No exceptions.** Options for payments: Cash, Check, Debit/Credit Card, and Money Order. For your convenience you can pay with your credit card/Debit card over the phone during business hours or drop off payment after hours through the mail slot to avoid late charges. (Make sure payments dropped through slot are in an envelope with name of student on check).
- ✓ **There is a \$25.00 fee for returned checks.** If account is not cleared by the 10th checks returned will be counted as a late payment and a \$10.00 late fee will be added to the account in addition to the returned check fee. After your check is bounced, all future payments must be by cash, money order or credit/debit card.
- ✓ **Refunds:** If you pay for the entire year in advance, from that day you have two (2) weeks to ask for a refund of the remaining balance. If a student is dropped due to failure of payments, you will not receive refund of costume fees. If costume is already paid in full you can pick up the costume at studio when it arrives. We will notify you.
- ✓ **Attendance:** Attendance is taken at each class. Good attendance is imperative, as absences and tardiness can hold back an entire class, and the studio can't jeopardize its responsibilities to the rest of the class for one student. Classes and tuition are figured on a ten-month basis. If a student does not attend the last six classes before a production, s/he will not be able to perform unless s/he takes private classes with the instructor to make up for missed classes.
- ✓ **Missed Classes:** You do not receive a refund for a class you missed. Students may make up a class within two weeks, but the makeup class must be at the same level and of the same genre.
- ✓ **Emergency Closures:** If the weather is bad please phone the Studio after 2 pm and listen to the recording or check the website message board or Facebook page. Note: Sometimes the streets are clear by class time even if public schools close in the morning, so be sure to check before staying home! We will make up any classes missed due to studio closing.
- ✓ **Dropped Classes:** You will not receive a refund if you drop a class. You must inform the studio in writing before a new month begins that you are dropping; otherwise you will be charged until you do. We will not take "hearsay" from another person other than student or parent. Students who drop classes will be wait-listed for future semesters.
- ✓ **Costume Fees:** Students pay for costumes for the Spring Production. Students must have costume fees paid before a costume will be ordered. The first half is due by September 29th and the balance must be paid in full by November 29th. There is a \$20 late fee. If costume is not paid for on time we cannot promise that the student will have the costume in time for pictures or the Spring production. Any additional fees from the costume manufacturer due to late payments will be passed on to the student. There is a costume ordered for **each** class a student attends. Child sizes \$50.00, Adult sizes \$60.00. There is a \$15 additional charge for X-large child and adult sizes. We will inform you if this is necessary. Flamenco students purchase their own costume from a professional seamstress. Mexican Folkloric costumes are rented and prices will vary. Please consult the front desk.
- ✓ **Contact Info:** Please keep us informed of any address, phone and/or email changes so that we can notify you of emergency closings, studio activities, etc. Please check your email and with the front desk frequently for important messages from the Studio.
- ✓ **Uniforms:** All students must follow a professional dance dress code. We are very strict about this. Tights help keep muscles warm which allows proper movement. During class students must wear the proper attire. Hair must be neatly secured off face and neck. Pointe and Ballet require hair securely pulled into a bun. No jewelry of any kind is to be worn. No chewing gum, candy food or drink except bottled water is allowed in dance rooms. Failure to comply with any of these rules will result in the student sitting and observing class. We are serious about teaching dance and expect the students to be serious about learning dance. There are other environments appropriate for playing. We try to teach each student the proper way to act in a class, as any professional studio should. By no means do we imply that they carry these rules outside of class. Please make sure you read and save this information for future references. Thank you.

*I have read the above information. Parent or guardian must sign if student is under 18 years of age.
