*This Class Does Not Perform In Spring Recital.	
**Weekly Class Length is different than the regular one hour per week length. Prices will vary.	
With a recommendation from the instructor, every dancer has the opportunity to advance. The amount of work each student commits to, both in and out of class, is an important factor of what level he/she achieves. Due to the number of levels EGD offers, most students can expect to spend at least 2 years in a single level.
